CLERK, U.S. DISTRICT COURT
MINNEAPOLIS, MINNESOTA

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

PAUL HANSMEIER,
Movant,

16-cr-334

v.

OPPOSITION TO GOVERNMENT'S
EXTENSION REQUEST

UNITED STATES OF AMERICA,
Respondent.

The Government has moved for an extension of time to respond to Hansmeier's 28 U.S.C. § 2255 motion. The Government's motion does not address and therefore does not oppose Hansmeier's also-pending motion for bail pending the Court's disposition of Hansmeier's 2255 motion. Hansmeier respectfully requests that the Court grant Hansmeier's bail motion so as to minimize Hansmeier's prejudice from the Government's current and expected requests for lengthy extensions of time to respond to the weighty issues presented by the Government's criminalization of the copyright enforcement method established by the Eighth Circuit in Olan Mills and its related decisions—a copyright enforcement method referred to by leading treatises as "routine."
